Proficiency in maths is a critical skill for life and work in today's information-rich world.

Join us at the screening of the Australian Learning Lecture case study 'Maths Success and Joy' and learn about a data-driven teaching approach that is focused on growth in learning: encouraging and rewarding a student's individual effort and progress to help every student experience the joy of achievement in maths.

When & Where

When:

Tuesday 23rd October at 7:00pm - Tuesday 23rd October at 8:00pm
