

## State Library Victoria <sup>[1]</sup>

The Australian Learning Lecture is a joint project of State Library Victoria and the Koshland Innovation Fund.

Discover, learn, create and connect at State Library Victoria, where world-class collections, exhibitions and events give on-site and online visitors the chance to connect with a world of resources.

SLV Learning is at the heart of the Library and offers events, excursions and programs for librarians and teachers. General interest and school programs are also available.

Visit [www.slv.vic.gov.au/live-learn](http://www.slv.vic.gov.au/live-learn) <sup>[2]</sup> to find out how to take advantage of all SLV Learning has to offer.
