A hands-on program

- The Masterclass will explore how change can happen at a *school* and *system* level, informed by expert practitioners who have successfully re-invented traditional learning;
- Three hands-on Masterclass sessions, each of 75 minutes? duration, and limited to 30 people per session, will allow for direct engagement with each Masterclass presenter;
- Participants will be equipped with practical strategies and models that can be used in their own schools to guide transformation.
